REJOICE!

The people in your world (including you)  
They are your humble nation in this life  
This flakey, raggle taggle, motley crew;  
Your nasty husband and your silly wife.  
Your lovely wife your darling husband too;  
Your happy neighbor sobbing on all fours;  
Oh, the sweet and feeble things they do;  
You are theirs, alas, and they are yours.  
And you are yours as well, and you are you  
And all that's left of you. (your dwindling passion)  
Rejoice, rejoice whatever else you do  
Rejoice and nibble sweetly on your nation.

Leunig
